Campaign Purpose

As we mark our 20th year, we embark on a transformative journey! Celebrate 20 years with us as we virtually climb Mount Everest, one step, one life-changing donation at a time. Be part of the "Challenge for Change" and create a lasting impact in Nepal, India, and Tanzania. Together, let's shape a sustainable future and ignite positive change. Your donation matters! And we are making it easier for you to contribute regularly.

Why

The Mondo Foundation's work in Nepal, India, and Tanzania has made a significant impact in creating positive change over the last 20 years. However, to sustain our impact and expand our reach, we need to increase our funding.

With your support:

- We can continue our vital projects, empowering communities, providing education, and improving futures for all.
- We can honour the legacy of our Founder, Anthony Lunch, by strengthening our organisation for years to come.
- We can create a stable and sustainable future for the Mondo Foundation, ensuring our programs thrive.
