

VOLUNTEER WITH US

VOLUNTEERING

Mondo has been working with local partners in Nepal and the Himalayan region of India for many years. We support schools in these very poor regions, helping them to provide good quality education, through our building programmes and teacher training. To support these programmes we work with our partners to recruit and place highly motivated and skilled volunteers each year.

MONDO
FOUNDATION

LOCALLY-LED RESPONSES TO GLOBAL CHALLENGES

HOW IT WORKS

Following appropriate safeguarding checks and induction we match the expertise of volunteers with the needs of individual schools. In all our volunteering work we promote reciprocal learning and ensure the activity is appropriate to the partner's needs, is evaluated and that it adds real value to both the school and the volunteer.

WE NEED YOU!

JOIN NOW

We currently have 3 distinct volunteer programmes :

1. STUDENTS
2. TEACHERS
3. CAREER BREAKERS

As a volunteer you have the opportunity to...

- Stay with a host family
- Learn from local teachers, students and community leaders
- Work in a school teaching numeracy, literacy and other subjects.
- Support Mondo's Quality Education Programme by helping staff to evaluate the impact of their work.
- Support our partner organisations in areas of operation, for example helping develop a website, marketing and local fundraising programmes, or sharing management experience. AND MORE

If you feel you have the skills, experience and willingness to serve as a volunteer either abroad or in the UK supporting head office activities, we'd love to hear from you.
